Guild

Celebrating Over 55 Years  
of Weaving Excellence!

# Guild History and Information

## Bobbinwinders Guild

### Our Story . . .

In June, 1955 when orange groves still dominated the landscape in the Pomona & San Gabriel Valleys, 15 weavers gathered to celebrate their craft & thus the Bobbinwinders Guild had its first meeting. It soon developed into a vital organization that furthered the craft, but also contributed to its community. Among the activities established and promoted by the guild were traveling exhibits, guest speakers, field trips, auctions, participation in community artistic events, social affairs including teas, and retreats to nearby mountains and beaches.

### What we offer . . .

- The Guild presents a great variety of programs including guest artists at each of its monthly meetings who demonstrate or lecture about their work or offer hands-on workshops.
- Our service projects extend to local schools, harvest festivals, fairs and fiber festivals.
- New projects include gallery exhibits and demonstrations in our local community.
- Our Guild offers a scholarship to foster education in the fiber arts.
- Our unique tradition continues: a member hosted hot lunch served at every meeting!

### Guild Information

- We meet the 3rd Friday of the month (except July/August)
- Meetings 9:30am to 1:00pm
  - Cost \$5.00
